

The W.C. Handy Music Festival is pleased to announce that our 2009 poster competition winner is local artist Victoria Antoine.

The multi-award winning artist from Florence, Alabama shows impressive versatility by paying attention to detail in some pieces versus the intentional abstractions in others. As a recent graduate with a BFA in Graphic Design from the University of North Alabama, she is also well versed in fine arts. Her artwork takes her through her life's journey. She explains, "You may detect a peaceful vibe of a sometime harsh reality-or you may be shocked by the reality itself. Whatever you discover there, I sincerely hope you are touched by it and it serves you well.

We are looking forward to working with Victoria this year to provide autographed posters for those who make that request.
